EDITORIAL

The arrival of Sasha as our regular girl last month caused quite a stir, and our heftiest postbag in quite a long time. Keep 'em coming, but we're worried that our other lovely girls are going to feel left out. How would you feel if one girl got all the attention? So get writing to Jana, Tylar, Shyla, Lucille, Simone and Sophia too. Hell, even write to Features Boffin Matt, he's feeling all ignored. Yep, write him a filthy letter. Give us all a laugh... ♣

Dear Club,
The two things I'm most obsessive about in life are snooker and pussy. Okay, I enjoy the occasional beer too. Anyway, I have this female fuck-buddy who's got massive tits, she's blonde and fit, but the thing I like most about her is the fact that she has a full-size snooker table at her house. We've played many games that ended in me fucking her bent forward over the table, but what happened a few weeks ago beat the hell out of our past antics.

Sophia called me up at home, saying, "Vince, get your arse over here right now. My friend here wants to play a few frames with you."

Faster than a speeding bullet I was over and buzzing Sophia's doorbell. When the door opened I froze in my tracks. It wasn't Sophia that answered the door, but a bombshell who was easily on a par with Sophia in the looks department. "Hi Vince, I'm Charlene," she said.

"Hi," I said, momentarily lost for words.

"Please tell me that's Vince!" Sophia shouted from inside.

"It's me," I called back. "Rack 'em up!"

When Charlene and I joined her, she'd done just that and had opened a can of Stella for me as well. "When you told me a friend wanted to play snooker, I never expected her to look like a film star," I said as Sophia handed me my beer.

"My surprise," she replied, with a sly chuckle. "The first of many tonight. Check out Charlene."

I turned around to see that Charlene was leaning with her arse against the snooker table rubbing a cue between her legs. I found myself wishing she'd replace that stick with my own instant wood. "Hmmm," she muttered. "I'll take that as a compliment, shall I?"

"A big one," I replied.

"Just what I like," she said. "A big one!"

That was my cue – no pun intended. "So what are you in the mood for?" I asked Charlene.

"Centre pocket," she answered, "and don't even think about going in off my arse!" Then she pulled the cue from between her legs, and tossed it to me, saying, "Sniff that!"

I did as requested, and man, did it ever smell sweet. As I sniffed, Charlene yanked her skirt off and her knickers down. So I followed suit with my jeans and boxers. By the time I was on her, Charlene had pulled her pussy lips wide open so that there was no chance of me doing anything other than skewering her with my beef baton – which a split second later, I did.

Charlene yelped as I rammed my dick home in one fell swoop, letting go of her pussy lips as I did so. As they wrapped their stickiness around my pumping shaft, I reached up and pulled Charlene's T-shirt off over her head, unleashing her tits. They bounced wildly as I banged her hole relentlessly.

"Oh yesss!" hollered Sophia. "Give that bitch what for, but don't you fucking dare cum in her – your cream is mine!"

So I gave Charlene a final almighty poke and pulled out, just as Sophia ran out of the room. When she returned, she was wearing a massive strap-on dildo. "That'll never fit," I declared.

FOR GASH GET SASH!

Dear Club
I've been a *Club* reader for about 25 years, and can remember the glory days when you clearly had a bigger budget to play with and gents like me could only get our porn fix from your magazines and the odd dodgy VHS passed around at work. So I've seen all the *Club* regular girls come and go and have to say that your new one, Sasha, is right up there with my all-time fave, Lucy. I've been a fan of her for a while and don't think she's ever looked better than she did in last month's *Club*. I've got some ideas of stuff I'd like to see her in, but I'll save those dirty thoughts for my letter to her!
Tom, St. Helens

We're glad you're as excited as we are about Sasha. We've already pissed our postie off with all the extra mail since her debut, but she's loving reading every one herself Get yourself to page 26 to see what she's up to this month...

SHARE LEONE?

Dear Club
I've read hundreds of porn star interviews over the years, and while a lot of them are sexy, they tend to blend into the same answers about how dirty they are, how they love anal sex or aren't ready for anal sex yet. Whatever. But your interview with Sunny Leone (*Club* 39.8) actually captured some of her charming personality. She seems down to earth, quite nerdy, and interested in real things and real hobbies like the rest of us. Yes, I'm in love…
Sol, Blackpool

Yes, she comes across pretty well, doesn't she? Impossibly sexy, impossibly fit, impossibly lovely and then she likes playing computer games and watching The Simpsons to boot. We're in love, Sol, which makes us love rivals. Pistols at dawn?

"Oh, it will," Charlene said. "I bought it for Sophia, and it's already seen the inside of my twat several times."

"Another surprise," I said.

"Oh, they'll just keep on coming," Sophia remarked then, holding the strap-on firmly by its base, rammed it right up to its prosthetic balls inside Charlene. She screamed out loud in delight as it hit home. Then, Sophia held Charlene firmly by the hips and started drilling her pussy deep and hard. She kept that up for quite a while until she suddenly stopped and said, "What're you waiting for, Vince? Fuck me!"

In no time flat, all three of us were a blur of hyperactive flesh. Each time Sophia spiked Charlene with her fake dick, I fucked her hard with the real thing. We rammed, slammed and banged like this until I lost all track of time. In fact, I only came out of my sex trance when Charlene started howling, "I'm cumming! I'm cumming!"

As if in echo, Sophia screamed, "I'm cumming too! Oh my fuckin' God, I'm cumming!"

Seconds later, as Charlene's pussy quivered on Sophia's strap-on and Sophia trembled on my meat, I unleashed a load of the white stuff deep inside her cunt. We never did get that game of snooker I, but I did pot plenty of pink…

KNICKERS! ♣

Jana invites you to a briefs encounter...

Jana, perennial *Club* favourite, is very proud of her extensive lingerie collection, and invites you to browse through it...

"I've got drawers full of stockings, suspenders and basques for when I feel like making a fuss of someone or glamming up. I've got quite a few frilly bra and panty sets for when I'm feeling romantic and feminine, but most guys like me to reach into my bottom drawer."

Why, what's in there? Magical underwear?

"That's my kinky stuff. Nothing naff like edible or crotchless knickers, just really tight rubber and leather where half the fun is getting out of it."

We'd love to help...

"Oh, you don't get into the bottom drawer until you've worked your way through the other ones first. That's for really, really good boys. Or should I say bad ones?" ♣

Jana is getting way, way ruder at...

SAY MY NAME!

Get your tongue round Tylar...

Tylar, no offence, but your name reminds us of the baddies from *Battlestar Galactica*.

"None taken. I'm not exactly sure what my parents were thinking about either."

Oh, so it's not one of those porny-girl names that you chose yourself?

"Hell no. Although I don't know what I'd call myself if I did change to a porn name."

Just go for Jenna, that seems popular.

"Yeah, there's a lot of those, right? Lots of Jenna's, Kacey's and Holly's. I'd have to go for something from left field."

Biff? Sexbot 3000? Incredibum?

"Keep trying, guys, you'll get there eventually. I need a name that sums me up, that encapsulates what I can bring to porn and modelling. Something that separates me from the pack of Sammie's and Brea's."

How about Tylar?

"Yeah, that's a good one. Why didn't I think of that?" ♣

CLUB'S ROUGH GUIDE TO...

THE PREMIER LEAGUE

AFTER AN ABJECT PERFORMANCE BY THE ENGLAND TEAM IN THIS YEAR'S WORLD CUP, PEOPLE HAVE BEEN CALLING OUR PREMIER LEAGUE OVERBLOWN AND OVERVALUED. OTHERS STILL THINK IT'S THE MOST EXCITING AND COMPETITIVE DOMESTIC FOOTBALL CHAMPIONSHIP IN THE WORLD. MATT LOXHAM AGREES WITH ALL THE ABOVE...

HISTORY

The Premier League was established back in 1992, and made up of 22 founder members; the teams who had managed to retain their top-flight status after the 1991/92 season together with the newly promoted sides from the old Division Two.

The clubs involved unanimously voted that a split from the Football League would allow them to better capitalise on the large amounts of money that had started to flow into our game, and they were absolutely right.

English clubs had recently been allowed to compete in Europe once more after the Heysel ban, and the overhaul of the country's stadia that occurred after the Hillsborough disaster had transformed the matchday experience for fans both in terms of comfort and price. Top-flight English football was primed for lift-off.

As an independent entity the Premier League could negotiate its own broadcast and sponsorship deals separately from the rest of the divisions, not to mention capitalise on the extra revenue coming through its turnstiles.

In a nutshell, marketing the English top-flight individually as an elite competition meant more money for the Premier League teams, meaning clubs were able to attract better players from all over the world and challenge on the European stage.

Although the Premier League has allowed the bigger outfits to grow richer and exacerbate the gulf between themselves and the smaller teams and the lower divisions, there's no denying that the decision to 'break away' has proved to be an enormous success in many respects.

English sides now attract some of the best players on the planet and regularly compete in the latter stages of the Champion's League.

The Premier League has also become the most lucrative and most-watched football league in the world – not a bad return considering the first incarnation included Wimbledon F.C.

For the record, the inaugural Premier League goal was scored by Sheffield United's Brian Deane in a 2-1 victory over Manchester United, who responded to this indignity by winning the first two Premier League competitions, and an incredible 11 of the 18 runnings to date.

After Blackburn Rovers bagged the trophy in 1994 – the only team other than Manchester United, Arsenal and Chelsea to do so in the Premier League's history – the number of competing sides was reduced to 20, and, despite pressure from FIFA to lower this number further to 18, 20 teams will line-up for the 2010/11 championship.

Whether you disagree with the ridiculous wages on offer in the Premier League – a couple of years ago the average salary was found to be £13,000 a week – hate the fact that to watch the games live you have to fork out a fortune in subscriptions to Sky and ESPN, or think the monopoly some clubs hold over the division is bad for the game, if you're a footy fan at heart then come Saturday 14th August you'll find it tough not to be excited by the beginning of a brand new Premier League season.

CHAMPIONSHIP CONTENDERS

CHELSEA

Last season's Premier League champions have been very quiet in the transfer market by their usual standards. Indeed, the most significant activity at Stamford Bridge thus far has been through the exit door, with superstars such as Michael Ballack, Joe Cole, Juliano Belletti and Deco all finding themselves surplus to requirements by manager Carlo Ancelotti. It's an unusual set of circumstances for a club that has become synonymous with splashing the cash ever since Russian tycoon Roman Abramovich bought it back in 2003.

However, if rumours that The Blues are planning to sign Brazilian star Kaka, talented German midfielder Bastien Schweinsteiger and prolific Argentine striker Sergio Aguero prove to be true, then it simply will be back to business as usual at Stamford Bridge.

MANCHESTER UNITED

Like Chelsea, perennial Premier League challengers Manchester United have also been uncharacteristically quiet in the transfer market. Much has been made of Dutch midfielder Wesley Sneijder's apparent snub of the footballing giants, and also the fact that the only significant addition to their ranks so far has been 22-year-old Mexican international, Javier Hernandez AKA 'Little Pea'.

With Ryan Giggs, Gary Neville and Paul Scholes all nearing pipe and slippers territory, Wayne Rooney enduring a dreadful World Cup, and the likes of Antonio Valencia and Dimitar Berbatov yet to prove themselves to be genuine world class performers, the Red Devils will need all of Sir Alex Ferguson's managerial guile to mount a serious challenge this season.

MANCHESTER CITY

While their esteemed neighbours are struggling to make any signings of note, sworn rivals Manchester City have been recruiting new faces for fun, with Barcelona midfielder Yaya Toure, Valencia winger David Silva and German World Cup star Jerome Boateng already in the Sky Blues' squad for this season, and if you believe the tabloids then there's any number of big names still to come.

With the likes of Gareth Barry, Kolo Toure and possibly even Robinho, should he stay at the club, already in place at Eastlands, the quality of City's team isn't in doubt, but whether all these star players on ludicrous contracts can gel and play great football week in week out without squabbling about money or moaning about how cold English winters are is far from certain, and manager Roberto Mancini will have his work cut out to keep the egos in check.

ARSENAL

Although they've done little of significance in the transfer market so far – Arsenal had only signed little-known French centre-half Laurent Koscielny at the time of writing – the fact remains that The Gunners have a talented squad packed with young players who will have learnt a lot from last year's end of season capitulation, when their title-challenge fell apart with

Jerome Boateng, brother of George.

Frank Lampard sniffs the sweet smell of Chri... ahem, success.

Pablo Ibanez considers his decision to move from Madrid to the Black Country....

galling defeats at the hands of Manchester United, Chelsea and arch-rivals Spurs.

Indeed, one of Arsenal's chief failings in the past has been their inability to beat the big guns, and the rough and tumble of English football has also on occasion proven too much for Arsene Wenger's boy wonders.

However, if the likes of Andrei Arshavin, Theo Walcott and Aaron Ramsey have learned to mix it with the bruisers of Bolton, Blackburn and co, then a serious challenge for the title could be on the cards, particularly if they can hold onto their creative midfield lynchpin, Cesc Fabregas, who has been linked with a switch to Barcelona.

RELEGATION RIVALS...

BLACKPOOL

The 'Seasiders' shocked the footballing world with their promotion to the 'Promised Land' through the Championship play-offs last season.

It's almost unbelievable that a tiny little club with an average attendance of just 8,000 fans and an unfinished eyesore of a ramshackle stadium tucked in amongst terraced houses and litter-strewn car parks could make it to the glamorous environs of the Premier League, and it will be equally amazing if they manage to stay there for more than what could be one humiliating season.

Considering their first signing in preparation for life in the top-flight was Israel international defender Dekel 'Who?' Keinan, and that they're in talks to sign Newcastle's Nicky Butt (46), all evidence points to tough times ahead for the 'Tangerine Army', and a Premier League excursion with more lowpoints than the rickety old Big Dipper just down the road.

If manager Ian Holloway is to prevent the 'Donkey Lashers' trotting off towards relegation it will be nothing short of a miracle.

WEST BROMWICH ALBION

The 'Baggies' are one of the so-called 'Yo-Yo Clubs', in that they tend to divide their time between winning promotion from the Championship and getting relegated from the Premiership, either one or two seasons later. And so on...

In Robert Di Matteo they have a young, inexperienced, yet ambitious manager who has played at the very top of the game, and who will certainly relish the huge challenge of trying to keep West Brom in the top-flight.

The signings of 'been there, seen it, done it' Spanish defender Pablo Ibanez and portly but talented midfielder Steven Reid should add much-needed quality to a squad that already includes one time England goalie Scott Carson and Swedish international centre-half, Jonas Olsson.

Much will also depend on if the Baggies can hang onto the services of their in-demand midfielder Graham Dorrans, who, at the time of writing, was a target for a whole host of their Premiership rivals, including potential fellow relegation battlers, West Ham.

WOLVERHAMPTON WANDERERS

Having done very well to finish fifteenth last season and secure safety well before the end of the campaign, Mick McCarthy's 'The Wolves' have been busy in the transfer market in a bid to maintain their Premiership status once more. Tricky winger Stephen Hunt arrives from Hull City, striker Steven Fletcher from Burnley, and two towering centre-halves in Frenchman Steven Mouyokolo and Belgian Jelle Van Damme should form an imposing partnership at the back.

Survival will also depend on the form of existing stars such as striking duo Kevin Doyle and Sylvan Ebanks-Blake, not to mention talented goalkeeper Wayne Hennessey, who recently signed a new five-year contract with the club.

After spending so much in the transfer market Wolves will be desperate to avoid relegation, and to do so the new signings will have to bed-in quickly.

FULHAM

Following an incredible season that saw them reach the final of the Europa League – the tournament formerly known as the UEFA Cup – and finish the Premier League season in 12th place, Fulham must now face up to the loss of their talismanic manager Roy Hodgson to Liverpool, and attempt to emulate this success without him.

With expectation high amongst fans, despite the club currently being managerless and amidst rumours of star players such as goalkeeper Mark Schwarzer and defender Brede Hangeland departing for pastures new, to emulate last season will be tough, and if success doesn't come then so might frustration amongst both fans and players. ♣

Sasha's Secrets

Drum roll... Ta-daa! Meet Club International's new regular girl, Brit sensation Sasha. Sasha will be dressing up and then undressing very quickly for Club every month – so let her know what you want her to wear and what you don't want her to wear. Just write to her, damn it, she's desperate to read your dirty letters, and Sasha wants to share her secrets too...

Sasha

You men are always making fun of us girls for taking so long in the bathroom, so I wanted to share what I really get up to in there! You might think we're taking ages over our make-up or shaving our legs, but we get all that out of the way and then have some fun. Well, I do anyway. I like the steamy atmosphere in a bathroom, it makes me all tingly and horny, and my fingers end up wandering where they shouldn't! Of course, what I like to do most in a bathroom is to share a shower, but there was just little old me on this particular day. Maybe one of you guys could volunteer to scrub my back for me. I'd make it worth your while... ♣

Dear Sasha

Those glasses in *Club* 39/8 make you look incredibly sexy. You have certainly come on from the very early shoots you did. The pics of you in the white blouse, white bra and knickers, the tight blue skirt lifted, really worked for me. You have a very sultry look and seem to look better and better. Your tits are absolutely superb. You've made a great start, but I'd appreciate seeing you in any of the following:

1) A white nurses uniform with white stockings and shoes.
2) A white wedding dress, white stockings etc.
3) Any secretary type outfits.
4) I'd also like to see you do a shoot in a blonde wig.

I think it's very exciting that you will be in *Club* every month and have developed into one of the sexiest girls I've ever seen in recent years.

J, Notts

Well, J, you've certainly given me lots of food for thought. I like the nurse idea, it's a classic, and I've got a blonde wig as well. Thanks for the kind words and watch this space. X

Dear Sasha

I did enjoy your photos of you and your blue and white outfit in *Club* 39/8. You bring back my memories of the blue and white buildings in portugal I saw not long ago.

You look like the sort of girl who would look great coming out of nice white tennis things, or a nice tan coloured bikini. It would match your eye colour too. Then again, suppose you covered yourself with some clear, simple paper type glue, then you stick feathers to yourself and then set the fan going and they're blown off by its wind. Then again – I hope this does not backfire on me – how about making a costume out of crepe paper and then it's cut down a bit - click, photo – cut a bit more – click, photo –etc. Don't tell my ex-art teacher!

J. Swift, Dartmouth

That's a real imagination you've got there! Loving the feathers idea, I might have to rip my pillows open. But then what will I bite next time I'm enjoying some anal sex?

BI BI BABE!

She's veggie AND a carnivore. Sweet...

Lucille more than held her own when she lezzed off in these very pages with sexpert Suzie Carina recently. In fact, she held Suzie's as well. But does she know her way around a dick as well?

"Well, I definitely prefer what a man has to offer," she tells us, a little coyly.

It's okay, you can call it a dick, Lucille.

"Fine. I prefer dick. I love dick. I live for dick. Is that enough?"

No, please continue.

"Well, much as I love fucking women, there's something a tongue or a finger or a sex toy can't give you. I cum with men and women, and on my own, but there's nothing like cumming with a guy attached to you by some throbbing meat buried deep inside you."

Now we're getting there.

"And, obviously, nothing comes out of the end when you suck a dildo. If there's one thing I really need a man for, it's for a nice, salty blast of cum."

We're glad to be of service... ♣

LUCILLE

POPSHOT CULTURE!

WITHOUT SEX, NOT ONE OF US WOULD BE HERE. WITHOUT THE INTERNET, WE'D ALL PROBABLY HAVE A LOT MORE TIME TO HAVE SEX. SO WHY DO THEY GO TOGETHER SO WELL, ASKS MATT SANDERS...

PORN STAR GRAVEYARD

Let us pray for the dearly departed guzzlers of cum...

No. 11 – ZOE ZANE

You won't have heard of Zoey Zane.Her career in porn didn't last a year. But her tragic and horrible tale still needs to be told.

Emily Sander was 18-years-old, a community college student in her home state of Kansas, and clearly needed some extra cash. As well as working as a secretary, the fresh-faced brunette started doing modelling for websites, her pretty features winning her enough fans to justify a website all to herself. Shooting mainly stills, mostly single girl and a few girl/girl shoots, Sander (who gave herself the nom de plume Zoey Zane for her smut-work) managed to keep her adult career a secret from most of her friends and all of her family, and maintained her studies all the while. So it came as a shock when, after she went missing in November 2007 and her story became national news, it was revealed by the media that she had worked as a model for internet porn sites. In the US, this led to a flurry of speculation as to her disappearance, but the tragedy of her story seems to be a case of wrong place, wrong time as opposed to wrong profession. A young Mexican man by the name of Israel Mireles was charged with rape and murder after Sanders' blood was found in his motel room. In February of this year he was found guilty of the same, and sentenced to life in prison without parole. Emily was described by those who knew her as a sweet and fun-loving young lady who was excelling in school. Her brutal death in an El Dorado motel took a vivacious cutie away from us, so let's take a moment to spare her a thought, wherever she is. Rest in Peace, Zoey Zane.

BIRD OFF THE BOIL

YOU WOULD, WOULDN'T YOU? OR WOULD YOU?

THIS MONTH: GERI HALLIWELL

Geraldine Halliwell, ex Spice Girl and UN ambassador, is a red-headed ball of annoying. She's perky, outspoken (with invariably witless views) and short. She's spent a lot of time in the gym, she's got the eyes of a crazy person, and a pretty cute button nose. She is, basically, a contradictory creature – one you'd like to feel sliding up and down your meatpole perhaps, but then you'd worry that halfway through she'd look at you with those batshit-crazy eyes and say something so annoying and facile, you'd wither inside her and have to look away. Yes, when she was sporting the Union Jack dress in her mid-90s heyday she might have been all tits and lipstick, but now she's aged a bit and got a few laughter lines, she seems slightly less bonkers. She looks good for her age but there's something about an over-gym-toned body on an older gal that can all go a bit Madonna. But the main problem I could conceive is that she would talk. And that's not something I'm sure I could handle much of. So Geri, let's have a bunk-up, but you have to promise to keep your yap shut. Deal? Nice, meet me by the bins round the back of Sainsbury's in Camden and we'll take it from there, yeah?

See you at Sainsburys.

RESPECTABALLS

WHEN PORN STARS HIT THE MAINSTREAM...

Porn stars have opinions too, and the mainstream is starting to pay attention to them. Our interest in porn stars coming out and blurting their thoughts was piqued earlier this year when cock-wrangler Ron Jeremy pointed out at a press conference that violent games were bad for children. He later retracted what he said with the humble and true line, "I'm an expert in porn not video games." We then read Jenna Jameson telling the world, "If you take the time to read it [a sample adult-film contract] carefully, you will notice many ways in which a performer can get shafted – literally and metaphorically" and that if she had a daughter that wanted to get into the industry she'd "tie her in the closet". We saw Belladonna being interviewed by Diane Sawyer on ABC's *Prime Time*, telling how she wanted to be a ballerina when she was growing up, and then her mother being interviewed on the same couch. And there are many more treasures out there – it would seem the media can't get enough of porn stars, and they're happy to print or show whatever comes out of their mouths. Except burped-up spunk of course, that would be wrong.

Coming to a sofa near you.

jizz on my twits

THE BIT ABOUT BABES WHO LOVE TO BLOG...

Tabitha Stevens is officially the most entertaining porn star on Twitter. She's witty, wise, full of fun and chats with just about everyone who drops her a line, sometimes quite flirtatiously. Oh, and she posts tonnes of pics of her tits and a few coy fanny shots whenever she gets the chance too. And, best of all, she's thoroughly candid about the shoots she's going on and her lovelife with her ultra-lucky hubby. Seems this guy gets it on tap – whenever Tabitha wants something from him, the currency seems to be blowjobs. For the rest of us schmucks, it's just a break from the nagging. Sigh.

Anyway, check out some of the lovely Miss Stevens' utterings here:

"Going to bed! Good Night/Morning. Gonna cause some trouble under the covers;)"

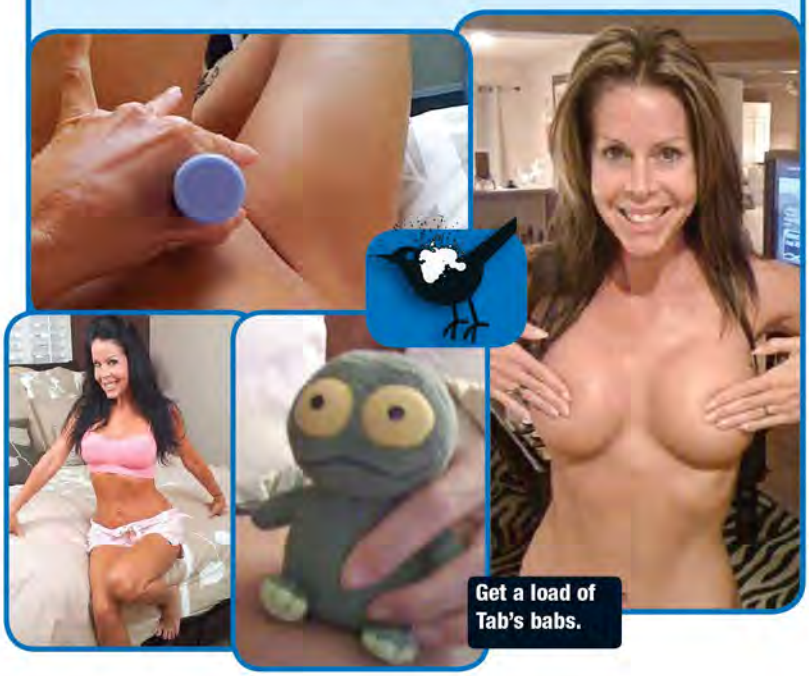
"Home and tired. Fun day of shooting today. My finger slipped into my lil'booty ;). Oooooops!"

"Frozen yogurt sounds soooo good right now. Maybe if I blow my hubby he will get me some;)"

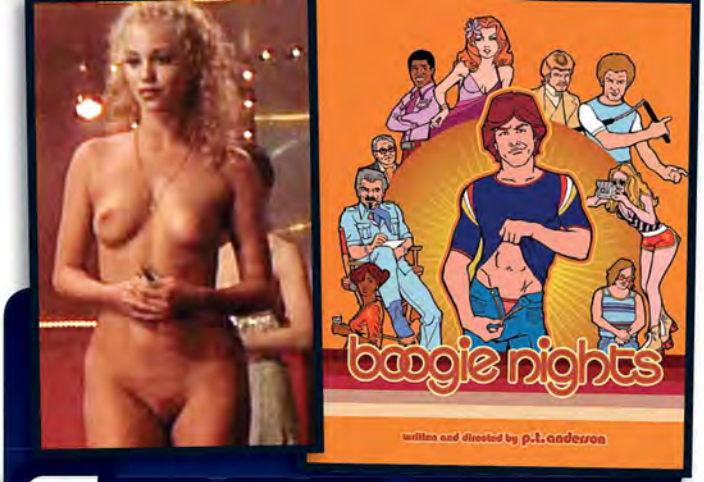
"Hello Everyone! Welcome to the comedy show that is called 'my life'. I say this because I find myself to be pretty dam funny ~ I'm a gayrod!"

"Good Morning! I woke up, got dressed and walked out to the car to find a person with a mask & gloves on sifting through our garbage."

Self-deprecating, warm and full of VERY good advice, Tabitha is a joy to follow. And don't worry, the guy rooting around in her bins fucked off and no-one got hurt. Get yourself over to *www.twitter.com/misstabstevens* and check in with the MILFy lass right away. And tell her I sent ya (you never know, she might give out treats to guys other than her husband...)



Get a load of Tab's babs.



Smoo-ray

HD T&A – THE WAY GOD INTENDED...

Two very different films have recently had their first outings on Blu-ray, and we're here to justly celebrate the brilliance of one and poke fun at the other, whilst masturbating happily at both. Let's start with the crappy one – it's been fifteen years since the cinematic abomination *Showgirls* was foisted upon us, and there's a cleverly ironic 'siniversary' edition out now on Blu-ray to celebrate the fact, loaded with ironic commentaries and jokey documentaries on how to pole-dance. The studio are clearly pretending they knew it was a corny load of toss from the get-go, going along with the 'so bad it's good' reputation the movie received down the line.

Despite being shit, it's still got a lot of fond memories for those of us who were tugging away before the internet – so the sight of Elizabeth Berkley's shaved snatch can still get us reaching for the pause button, especially now that it's in HD.

On the other end of the quality spectrum is *Boogie Nights*. A masterpiece that's also nearing the 15-year-old mark, it's the tale of porn lunk Dirk Diggler and his rise and fall in the LA porn scene of the 70s and 80s. Astonishing film-making that's well worth revisiting, and of course it helps that we can now see Heather Graham's neatly-trimmed rat in the definition it deserves. Bravo!

PRICKIPEDIA

TRUDGING THROUGH THE WORLD'S SEX TRIVIA SO YOU DON'T HAVE TO...

'Ithyphallophobia' is a morbid fear of seeing, thinking about or having an erect penis (though I'm not sure if that includes one's own – that'd be well annoying)

According to a survey of sex shop owners, cherry is the most popular flavour of edible underwear. Chocolate is the least popular (doesn't say where cheese and onion comes)

A man's beard grows fastest when he anticipates sex (which is why I look like Gandalf right now)

Sex is a beauty treatment. Scientific tests find that when women make love they produce amounts of the hormone estrogen, which makes hair shine and skin smooth (yep, tried that one on the missus and she didn't bite)

A lot of bonking can unblock a stuffy nose. Sex is a natural antihistamine. It can help combat asthma and hay fever (hmmm, haven't tried that one on her yet...)

club's kit bag

The column that wil break your fucking iPhone, capiche?

Can you get BB-Cfood on that?

HANNSzoo TV's

£249.99

www.eu-shop.hannspree.com

One thing that's almost undeniable is that modern day televisions are a male domain. Largely, men buy them, men wallmount them, men bang on about them on internet forums and men make sure they're tuned to *Sky Sports News* as much as possible. Go and visit a single woman and she'll have a 21" CRT that doesn't have a SCART socket. This new range of animal-inspired TV's from Hannspree offer the best of all worlds: Kids love animals, women love animals and men love animals. The 19" LCD screens are excellent quality, with the added bonus of being available surrounded by a giraffe, a crab, a camel, a polar bear or a zebra. A crab?

Pros: 5ms screen response, 2 HDMI ports, these aren't toss-off TV's.

Cons: We repeat: A crab?

Beats By Dre Pro Headphones

£250+

www.beatsbydre.com

The Beats By Dre range has been around for a couple of years, and range in price from the 'slightly expensive' to the 'fuck me, do people really pay that much for headphones'?

The thing is, at a certain stage the obvious benefits of good headphones outweigh the output from your portable music device. Even the best MP3's, even FLAC, for heaven's sake, can only sound so good from an iPod. At £250 for headphones, you're gilding the lily. That said, in the confines of your home on a decent audiophile system, these are good cans, with crisp, punchy bass. But by that stage you might just be paying over the odds to be cool by association with the Diggedy Doc.

Pros: These are actually decent, stylish headphones.

Cons: Overpriced and overspecced for iPod use.

Revo Heritage

£230

www.revo.co.uk

Whether or not the current government goes ahead soon with the big switch to digital, flummoxing lots of old people and divvies in the process, what's inescapable is the fact that radio becomes an ever-more confusing playing field and while DAB has been pushed relentlessly over the last few years, many people remain sceptical about its quality. This radio offers a bit more than the nice DAB it undoubtedly has. It can offer wireless internet radio access, it's got an iPod (or other MP3 player, but what are the chances?) dock, and its retro looks might even convince your gran to get in the DAB game to rock 5 Live Sports Xtra. Our advice? It's radio, it's not supposed to sound crystal clear, so wait until the dust settles. And if you think DAB is a nice bit of fish you might have for your tea, you're not paying attention. Go and get yourself a crab telly. Seriously.

Pros: Looks lovely, very good features.

Cons: The radio world hasn't settled down yet, watch this space. ♣

ASSROOM!♣

Shyla's been studying hard... dicks!

This time last year, Shyla was setting out on her first year at her US college – no, we're not telling you which one – all innocent and intent on studying hard. And now?

"Oh god, my studies are fucked," she giggles with a roll of her eyes. "I really dropped the ball on them. Guess I was having too much fun!"

Joining a sorority? Drinking games? Hazing? Was it hazing?

"Just plain ol' fucking, I'm afraid. I wasn't a virgin when I started college, but I might as well have been, I was so square. Just about the only thing I've learned is how to ball hard. I've got techniques out my ass – literally – but unless I knuckle down, I'll probably get thrown out soon."

Okay, we'll do your books for you, but you've got to teach us what you've learned.

Then send a picture, along with your name, address and a contact telephone number to: Readers' Girls, Club International, 3rd Floor, 207 Old Street, London, EC1V 9NR (or email clubint@paulraymond.com). If you've got the Club look you'll get a top photo shoot and a £250 cheque, too!

NAME: Simone **AGE:** 20
FAVE SEX: Up the bum!
WHAT'S SHE LIKE? A posh girl who likes a bit of rough.

WHY DID YOU WANT TO APPEAR IN CLUB INTERNATIONAL?
My boyfriend is a subscriber and I really wanted to be in his favourite magazine – maybe he'll wank over me now!

HE WILL. LIKE THE REST OF US!
That's sweet of you to say so, but I'm not sure I can compete with all of the girls you have in *Club*. You have the fittest girls anywhere.

WE DO OUR BEST.
If I was a lesbian – and I'm not, I love cock way too much for that – then I'd play with myself over *Club*. As it is, I sometimes get my man to wank over *Club* while I wank over him!

THAT'S NICE OF YOU.
Well, I'm not one of those anti-porn girls. I think porn mags are honest about sex – they treat it like the fun it is. I know lots of girls who pretend they hate it, but act all slutty behind closed doors.

AND YOU?
I've got no problem being a slut in the open! I love sex, I love dick, I love dick up my bum. It's sex, what's to hide about it? That's why I want to be in *Club*, so I can show off my body and hopefully have men wank over it! ♣

ALBUM REVIEWS

MANIC STREET PREACHERS
Postcards From A Young Man (Columbia)
The tenth studio album from everybody's favourite taffies is definitely better than their last few. If Welsh snatch is on your agenda, get a copy, a bottle of cheap wine, and she'll have you shoving leeks inside her hole in no time.

BRANDON FLOWERS
Flamingo (Mercury)
If you liked the last Killers album then this will be right up your street – radio friendly pop songs to drive to work to. More for the ladies than the boys, if you're having trouble getting your Mrs moist then this should do the trick.

PAUL HEATON
Acid Country (Proper)
One of the most distinctive voices in pop music, Paul Heaton returns with another solo album full of happiness and acoustic mayhem. If you are old enough to remember The Beautiful South and The Housemartins then *Acid Country* will not disappoint.

TRICKY MICKY
The Micks Tape (LadRap Promotions)
Michael Paini has made a career so far out of fingering girls and sorting their pipes out but this year will see him hit the big time – think Mike Skinner with sovereign rings and ginger hair. Play *The Micks Tape* loud whilst cruising around the town centre and those college girls will be queuing up to put their feet on your windscreen.

CHIEF
Modern Rituals (Domino)
The debut album from these Californians is a cracker. Imagine driving from LA to Seattle with the ocean on your left hand side and your girlfriend on the right – Modern Rituals would be the perfect soundtrack. Well worth a download.

COUNT BASSY!

CLUB CHATS TO TOP DJS, PRODUCERS, AND ARCTIC MONKEY'S LABELMATES; THE COUNT & SINDEN...

How did your record with Mystery Jets come about?
The Count: We bumped into them at Carnival and Kai (Mystery Jets bass player) said, 'Let's go back to our place and carry on partying.' We all bundled back to his and it wasn't until we got to his door that I realised that I lived 2 doors down from him! We had been neighbours for a year before we even realised it and then we started working together.

Do the Mystery Jets recycle their rubbish?
The Count: Yes, they are very environmentally friendly. In fact, they are just very friendly – it's always hugs and not handshakes.

And who has the most birds coming round for sex?
The Count: Well, we both have long-term girlfriends so it doesn't really work like that. But I am sure that their front door would be knockin' like a knockin' shop if they were single.

Have you ever been in trouble with our friends at the Police stations?
Sinden: Yeah, a few times. I got into trouble with the transport police for using a dodgy travel card. My mate gave us these travel cards that were from 7 years ago; he must have collected them. One day, these cards suddenly started working again and we could get anywhere around London for free. But then they caught us and I had to go to court and we got done.

Have you ever killed an animal?
Sinden: I once ran into a deer when I had a job delivering pizzas on a moped. I was racing down this country lane and this deer came out of nowhere and I just smacked it. The pizza came out of the bag and I went over the handlebars. I had a lot of bad times on that round – I kept running out of petrol and getting stranded in the country side – the customers always had to give me a lift back.

Did you deliver the pizza or did you go back and get a fresh one?
I just delivered it – went to the door, got the cash, and then ran out!

Did you shag any girls whilst you were delivering pizzas?
No, none at all but we did get a lot of free pizza.

Got any funny stories from the red light district of Amsterdam?
The Count: Me and my mate had been DJing there and we were staying at the really nice hotel in the airport. He was so rough that he couldn't fly back and so I came back on my own. He was staying at the hotel until he could get a cheap flight back and he ended up spending another 4 nights there. When he went to get his bill, it was for 1500 euros because as soon as the weekend finishes they charge business rates and they were charging him 400 a night! He spent 1500 euros to save 200 on the flight!

Did you ever do drugs at school?
The Count: We used to do acid at weekends and wander through the school fields around Essex. One time we went out and walked across the golf course tripping out with a tape player listening to acid house tracks. All of a sudden we saw these people come running across shouting at us and firing these air rifles in the air and going proper crazy. It proper freaked us out and we were like, "Who are you? What do you want?" And they just kept laughing at us. So we went to this construction site and found these metal poles to protect ourselves with. Nothing happened after that and we eventually went back home. The following morning, my little brother said, "Why didn't you wave at us last night?" It turned out that he'd been getting pissed with his mates and we were just too spaced out to recognise them.

And do you like your women shaven or bushy?
Sinden: Shaven. Or trimmed. A little aeroplane strip down there works well.

Good lads. Take it easy and keep on shaggin'.

ON THE GAME

MADDEN NFL 11

(EA Sports)
PS3, Xbox 360
★★★★

You can set your watch by the yearly updates of EA Sports' numerous top franchises, and also by the reviews saying 'more of the same / slightly better / revolutionary'. What's certainly hard to dispute is that the endless refining of Madden has made it more confusing and harder to just pick up and play, even if most people doing so will be Gridiron fans at home with the lingo and play-calling. The new 350 plays down to 1 feature makes it that much easier if you want to play a dumbed-down version, while the game retains the roster-managing and franchise-bossing depth of yore. Needless to say, it still looks and sounds amazing, and those on-screen crunching tackles will have you flinching in real life.

KANE & LYNCH 2: DOG DAYS

(Square Enix)
PS3 , Xbox 360, PC
★★★

Somewhere, a bunch of games developers are praying, hoping that the reviews for their shiny new sequel are somewhat kinder than those that greeted the original instalment. Perhaps the mauling that Kane & Lynch got is partly down to the high expectations fuelled by the PR machine, or maybe just down to it being utterly shoddy in execution. Well, the sequel is definitely better, with lessons learned all over the place, the titular criminals fighting the Shanghai underworld in an enjoyable third-person shooter. Then again, expectations were so low that this is going to do better anyway,

MAFIA II

(2K Games)
Xbox 360, PS3, PC
★★★★

Mafia may have won the odd award, but it divided critics and players. Put simply, all was good if you played it on the PC in 2002, while the later Xbox 360 version was a bit of a mess, going for a sandbox feel while being relentlessly linear and adding nothing to the original. The sequel looks to be all kinds of lovely graphically, using the new Illusion Engine, and while the tale of Vito is derivative beyond belief, you won't care once you're exploring the immersive and beautifully rendered world. Capiche?

ELECTRIC BLUE!

My boyfriend, Paul, is an electronics specialist and recently got hired by a bloke named Dom to design and install a system in his new house. The two of them hit it off, which is how I got invited to come over and chill out. Dom's one of those fourty-something guys with absolutely everything – talent, money and he's still fit too! That night, I confessed to Paul that I fancied his new client. Paul, his fingers working away in my twat, asked me what I'd like to do with Dom. "Fuck him?" I said.

"In front of me?" asked Paul. "So I have to watch as he stretches your tight little cunt wide open?"

I knew where this was going and after wanking Paul's now-rigid cock onto my boobs, we hatched a plan. Next morning Paul went out to get spare parts, leaving me alone by the pool. I'd switched my regular bikini for an animal-print thong, and waited for Dom to come by and say hello. I didn't make any attempt to cover up as he sat down to talk – still cool and polite, but casting quick glances at my tits.

"Want a little feel?" I purred.

His hands stroked over my tits, instinctively. Barely cupping them, he used his thumbs to tease my nipples, which had me whimpering with pleasure in seconds. Then I pounced on him and we began to make out.

I took it slowly, knowing Paul would be back any minute. Then, as I heard the car, I began helping Dom out of his clothes. He was nuzzling my breasts, then those fingers tickled down over my belly and inside my thong, so Paul walked in on him knuckle-deep in my cunt.

"It's okay," I said. "Paul's fine with this. He wants to watch you fuck me." I brought my hand down on Dom's cock as I spoke and felt it harden. He was just as buff as my much-younger boyfriend, and his cock was firm in my grasp. He laid back on my lounger and I straddled his prick, rubbing my clit as it sunk inside me.

He was just a phenomenal fuck. Huge, hard and, as well as thrusting in, he had this way of moving his hips to stir his cock inside of me. He got a finger on my clit, and the motion of our bodies set me off cumming.

Paul undressed and started to stroke himself off, so I called him over. First, I rubbed his prick, then took it in my mouth. Watching this, Dom fucked in harder, jolting my tits, but I kept on, not missing a beat as I blew my boyfriend. I heard a groan – Dom stopped, tightening his body to hold back for a few more crucial seconds. Then his hips rose and he shot his load.

Paul pulled out of my mouth, laid me on another lounger and immediately stuck his dick in my twat, Dom's spunk

spurting out all over my crotch and thighs as he plunged in and out. He fucked me as hard as he could, arse banging in between my spread legs, and within about a minute it was over for him too. They'd both made a big, sticky mess of my pussy and now Paul was playing with it, spreading it over as much of my body as he could.

We all had so much fun that we came over for a day after the work was completed, Dom shagging me in every hole. Paul got so horny as he watched Dom fuck my arse, and then of course he had to do it too!

It was mostly threesomes, but I will admit I did Dom one-on-one a few times, too, while Paul was working. When it's two men together it's like they have something to prove, but Dom alone just focused on making me cum. Paul doesn't know about the one-on-ones yet, but he's a massive fan of *Club* so he'll find out if you print this!

DRUNK ON SPUNK!

There's truth in wine, they say, so when my best friend got a little tipsy at a boozy lunch and accused me of being uptight, part of me realised she was right. She pointed out how I'd moan to her about never getting any cock, then turn down any man who wasn't my exact type.

"Okay," I told her. "Pick out three guys who you think I wouldn't fuck but should." Lucky for me one was really nice, so she dared me to go try it on with him. When I took him home an hour later, it wasn't just to win the bet!

I'm used to quiet men who let me strip for them. This bloke, Jake, rougher around the edges, was yanking at my clothes and feeling up my boobs as we kissed. He got me down to my lingerie, pulled off his shirt and dropped his jeans, then gave me a playful slap on the arse and said to bend over the couch.

I'm not usually a girl who likes being told what to do, but he had a look in his eye that made me want to do as he told me. I stuck my arse in the air, but he left me in suspense a while, wanking his cock. Then he stuck it slowly in me… Only to pull back out right away.

"Okay, get on your knees," he told me, and I did. His cock looked so huge right in my face, all coated with my cunt cream. "Lick," he told me, and I lapped the wetness off of it, from root to tip, catching the stray drops off of his balls, too. When I went to take it in my mouth, he told me, "I said lick, not suck…" which was such suspense for me. A big, tasty knob right there in front of me and I couldn't blow it.

Another quick dip in my pussy and I was back on my knees again – and now he did want me to suck on his freshly-juiced shaft. "How deep can you take it?" he groaned, and I showed him, slowly easing it down my throat to the hilt. I couldn't suck him like that for long, of course,

"Paul pulled out of my mouth, laid me on a lounger and immediately stuck his dick in my twat"

but he liked what I did to his whole shaft. I could taste and feel when he was ready to cum, and he told me to open my mouth. His dick slid out but then he wanked it, aiming it so his jizz splashed all over my tongue.

Now he said we should take things outdoors. I felt a little nervous – what if the neighbours saw us? But I decided to stick to my new say-yes-to-anything rule.

I love sucking dick, but it's not as fulfilling as actually getting fucked. And if I blew my chance at finally riding his big cock all the way, my girlfriend would have to hear me whinge about that too!

He got me spread on my sun lounger, still in just my lingerie, although he soon took off my pants and pulled my tits out the top of my bodice. For the first time, he let me see him look impressed as he clamped his mouth over my nipple. Every suck on it made my clit throb and when his fingers found that little nub, my whole cunt tautened.

I moaned and squirmed and he said maybe he'd just frig me off as that seemed to be working okay. So I begged him out loud to ram his dick right in my fanny, right now. I said I'd suck him, let him do anything to me, just as long as he fucked my cunt now.

"No problem," he said and spooned me, sliding in. His prick was so long and so thick, it stretched my pussy all ways, thudding in deep. I put my hand down to give my clit a rub. "Not till I say," he murmured around a mouthful of nipple. But he didn't say, he just put his own hand down and frigged me to an intense orgasm, then gave one last, hard suck on my tit before his spunk flooded me.

I usually hate it when I'm wrong and my friends are right, but the next boozy girls' lunch is on me. To thank my best friend, and see if she can pick out another horny stud for me!

Katie, Gateshead

MOUNTING MEGAN!

I have rich relatives who hold big gatherings for the extended family every so often – it's just about bearable if there's plenty of wine, beer and spirits on offer. For obvious reasons I never go there expecting to get my dick wet, but I got lucky the last time!

"She was the tightest fuck I've ever had, her pussy gripping snugly around my shaft"

It was a rich great-uncle's birthday weekend and Megan was a guest. She's a petite strawberry blonde, the stepdaughter of some distant cousin, a second year student at University. She didn't want to be there any more than I did, and after some drinks and flirting, we pissed off together.

"Perfect," she said, opening the door to the study. It was my great-uncle's private space, still kind of forbidden now, decades after I got in big trouble for playing in there without permission. So, fucking in there was way beyond wrong – which meant it had to be done!

Naked, Megan was phenomenal, all soft and petite, the kind of girl you want to pick up to twist and bounce on your knob all day long. I'd visualized a stand-up doggie over the desk, but the antique leather couch was way more tempting, especially with Megan sprawled all over it.

We didn't have long before we'd be missed, but that didn't stop me savouring her cunt as I went down and lapped away at her smooth-shaved lips and juicy slit. Her hole felt tight around my tongue, and I wondered could she take my cock, which I was pumping stiff with one hand.

"So, do you want to fuck me?" she purred, and I sunk in as slow as I could, banging her for a few strokes, then dragging her leg up on my shoulder to splay her wide. She took every inch I gave her, body twitching as I sucked hard on her nipple, bum grinding against the padded hide beneath us. She was the tightest fuck I'd ever had in my life, no contest, her pussy gripping snugly around my shaft. And as she moaned and her breathing got heavier, she got even tauter around my meat.

I felt like I was going to blow my beans too soon, so I pulled out, no warning. "Okay?" she asked, a little startled. "Just want to switch position," I told her, using all my strength to hold back as she grabbed my slippery dick and began to jerk it. I sat on the couch and got her on my lap, reverse cowgirl, grabbing a tit in each hand and guiding her as she swayed and circled her hips. Then she put her feet on my knees, levering herself up for a harder fuck.

As I slammed into her she drove down, the entire length of my prick swallowed by that tight little twat. Then she raised herself up, till just my helmet was inside of her, stretching her opening. A couple times, I pulled totally clear, only for her to catch me inside of her as she sunk down again. Other times I slipped out, she just grabbed my prick in her hand, rubbing it up against her hot, damp folds before pushing it inside again.

That was strenuous and, as Megan paused for breath, giving my cock a break too, we small-talked about what might be the worst position to get caught in. She thought doggie, I said piledriver. For all that she was fucking me like a porn star, she didn't know what that was, so I showed her, posing her on her shoulders while I ploughed in.

She liked it – well, she came pretty quickly anyway – and said she wanted to feel me spunk inside of her. The sperm was welling up in my balls now, ready to blow, and I groaned as I gave her a deep fill. Even then we didn't immediately dress and leave. I held her in position, fingering her snatch to force the cum out, so it streamed down over her mound. She ate some off of my fingers too.

Soon, though, we heard people walking down the hallway, so it was time to go. We made some bullshit excuse about me showing Megan around the garden, but we must have stunk of sex! Later, I overheard Megan's stepmother say she was glad to see her fit in so well at the party. Well, her cunt fit my dick perfectly on the many times I was inside it that weekend!

ELVIS

(FREMANTLE HOME ENTERTAINMENT DVD £15.99 BLU-RAY £19.99

It's strange that a director with as high a profile as John Carpenter should have a 'lost' film, especially when that film is about that most persistently popular of topics – Elvis Presley. Released to cinema in 1979, *Elvis* subsequently got a VHS release, but is rarely seen on TV and hasn't graduated to DVD until now. But is it any good? Well, Elvis is a tough role to nail, but Kurt Russell pretty much gives us a definitive screen version of 'The King', and the supporting cast gives us Russell's father Bing, Joe Mantegna, Shelley Winters and Melody Anderson, best known to us as Dale Arden from *Flash Gordon*. It's not often you see Carpenter stray from genre, and rare you see Russell taking on a real-life figure. File alongside *Bubba Ho-Tep* in the still small 'interesting Elvis movie' pantheon.

Fremantle Home Entertainment have given us 3 Blu-rays to give away. To bag one, email 'The King is Dead' to *clubint@paulraymond.com* or write to the *Club* address.

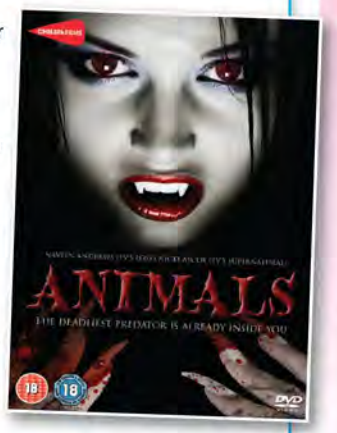
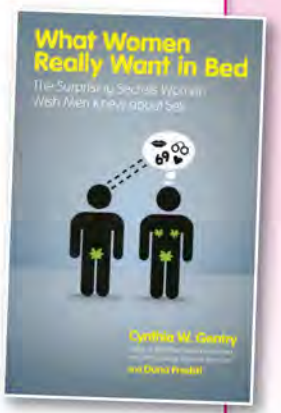
Animals (Chelsea Films £?)



It's always fun to see what the stars of major event TV shows do next. Usually, almost without exception, they do other TV, fail to make it big in the movies, and end up in enjoyable B-movie schlock like this. Naveen Andrews – AKA Sayid from *Lost* – has cut straight to the chase in this tale of Jarrett (Marc Blucas), a one-time college American football player whose humdrum existence sparks into life when he starts knocking around with Nora (Nicki Aycox) who is, more or less, a werewolf. Yup, you can't get away from wolves, vampires and zombies at the mo, but this has considerably more teeth and genre chops than *Twilight*.

★★★

What Women Really Want in Bed (Cynthis W. Gentry & Dana Fredsti, Quiver £12.99)



You could probably hear the sigh a mile away when this landed on our desks. Hasn't this been done before? Well, yes, it has. Try typing 'What Women Want' into Amazon and you'll be presented with plenty of books offering apparent insights into the different bedroom demands of the fairer sex. Does this one offer anything new? No, not really. The authors have previous in this area, but if you can't find this stuff on Google, or in any other sex guide, you're not really trying. 'What are the best hand and mouth techniques to take her over the edge?' it asks. We're not sure we can print the answer in a family mag like *Club International*... ★★

Kick-Ass (Universal Pictures International Entertainment, DVD £19.99, Blu-Ray £24.99)

Matthew Vaughn had shown glimpses with *Layer Cake*, but we didn't see him delivering something with as much wit, action and crossover appeal as *Kick-Ass*. Aaron Johnson stays on the right side of winningly naïve as Dave Lizewski, who decides to become a super-hero after one mugging too many. Reinvented as Kick-Ass, he rubs up local Mafioso Frank D'Amico (Mark Strong, excellent) the wrong way, and allies with fellow crime-fighters Big Daddy (Nicolas Cage) and the scene, no, make that film-stealing Hit Girl (Chloe Moretz). There are laughs aplenty, great fight scenes, a slightly tacked-on love story and perhaps the best swearing in a film ever. Yep, it kicks plenty of, er, bum. ★★★★★

Hung The Complete First Season (HBO DVD £39.99 Blu-Ray £44.99)

Hung, which has just started a second season in the US, avoids the stunt casting of many contemporary TV dramas, its leading actors being the understated Thomas Jane (*The Mist*) and Jane Adams, who you've seen in everything without ever really knowing who she is. The story is left of centre as well, Jane playing Ray Drecker, a newly homeless and depressed high school teacher. But he has one thing going for him – a big cock. He starts to turn his life around with the help of Tanya Skagle (Adams) as the two set up as 'Happiness Consultants'. In other words, he becomes a gigolo, she his pimp. They have great fun with the premise, but there's the undertow of quality drama we expect from HBO as well.

★★★★

Sons of Anarchy Season 2 (20th Century Fox £24.99)

A family drama about a motorcycle gang with lashings of racial warfare, violence, rape and bribing of Sheriffs might be a hard sell to some, but to Team Club it's guaranteed TV gold. SAMCRO (or the Sons of Anarchy Motorcycle Club Redwood Original, if you must), is still beset by the internal wranglings between Jax and Clay, but their usual dramas with the Mayans pale into insignificance when Ethan Zobelle and his band of white separatists put down roots in town. Katey Sagal shines brighter than ever as SAMCRO's matriarch, and the season-ending cliffhanger is devastating. Roll on Season 3...

★★★★★

7 Days (E1 Entertainment £12.99)

The torture porn genre has, surely, run its course? Wishful thinking, it turns out. There's a seemingly insatiable appetite for *Saw* and its derivatives, with nasty things happening to nasty people in nasty places. Credit to Daniel Grou, then, for trying to go somewhere slightly different with this. Middle-aged surgeon Bruno Hamel (Claude Legault) is driven to despair by the rape and murder of eight-year-old daughter. Estranged from his wife, he decides to kidnap the killer from custody and subject him to 7 days of torture. Okay, it's exploitative, but the subject matter does allow the director to delve a couple of centimetres deeper than most of his grisly counterparts.

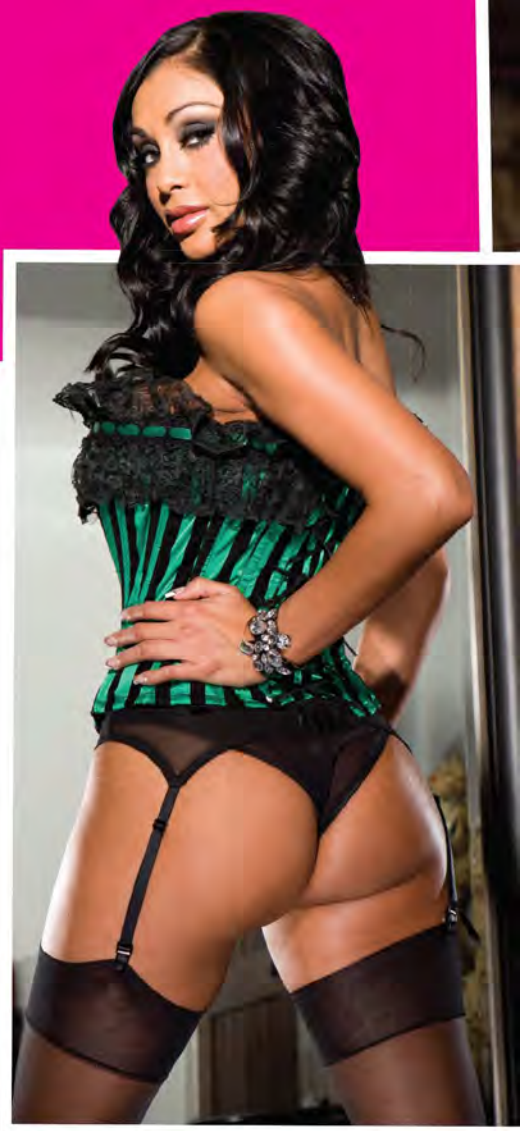
PEACHES

The place to be for the world's dirtiest backdoor sex stories. Every hole is a goal...



POKED & SOAKED

When I broke up with my boyfriend I wanted a one-night stand to get me back in the saddle again. I needed it to be with a stranger, so I posted a sexy ad online. I narrowed it down to two blokes, Steve and Justin, and I really couldn't choose between them. We arranged to meet in a cheap hotel, and then I got a late reply from another man, Eric, who said he was into group sex. He was fit so I invited him to come join the party!

It was cock heaven for me. Knowing that I had my pick, I began to get off with Eric, telling the other guys to join in whenever they liked. Soon I felt Justin's hands on my tits, then Steve pulled down my knickers, his mouth nuzzling my slit. As he began to lick me, I moaned around Eric's tongue and humped myself back against his face.

Gently, Eric guided my head down. He was already boasting a big hard-on and I didn't hesitate to open my mouth and suck it right in. As I built up a rhythm, Steve was eating my twat, Justin wanking himself now, waiting his turn. My hole was juicing, throbbing, desperate to be fucked, but I waited, letting Steve decide when. He fingered me, worked his cock into position, then took my moan as his signal to sink in.

He fucked me deep but took it slowly so I could keep on sucking Eric. That's where I was focused anyway, just twizzling my tongue around his crown, then surprising him with sudden deepthroat sucking. That sent him too far toward the brink, but I kept him from cumming as long as I could, before cupping his balls and giving him one final hard tug that got him blowing his load in my mouth.

I let it drip down onto my boobs, and offered Justin a tit fuck. But he said he was going to wait until Steve was done, then do me in the arse. That sounded good to me. So good that, no offence to Steve, I couldn't wait. I slammed my arse back into his crotch, coaxing him to fuck me harder. He fucked me full force, slapping up against me, shoving me so far up the bed I had to brace against the headboard. Then he pulled out and sprayed all over my back, almost up to the nape of my neck.

Now, as the other guys sucked my tits, Justin went down on me, licking my pussy juices into my arsehole, drooling all over it till it was drenched. I thought he'd bang me doggie style, but he wanted me to sit on him instead. I gave his dick a suck to wet it, then lowered myself down onto it, slow and easy.

He had a pretty big cock, so hard and thick as it stretched my bum to the max. At first I could barely move on it, but as the other guys fooled around with me, I relaxed enough to get a good riding rhythm going.

Eric thought I had great tits and kept rubbing and slapping the head of his dick against them, just hard enough to get them suckably stiff. And Steve's dick still smelled of my hot pussy, so I sucked him into my mouth, enjoying my own flavour.

Justin had me by the hips as I rocked and circled on his cock, clenching tight and deep. Steve hadn't long cum so he could take plenty of sucking, but already I could feel Justin's dick twitch in my bum. He pulled me down till his entire length was in my arse, then shot his muck. It felt like his spunk was pouring out in torrents. Steve had me suck him till he came down my throat, and I swallowed every drop. Then Eric creamed between my tits, although I

had a little taste too!

I'd be typing all day if I went into any more detail, and I need a break to masturbate over what I've written already! But I'll end by saying the finale was a three-cock salute, with me lying on my back, fingers deep in my fanny, while the boys popped one at a time, soaking me in jizz…

Sonia, Newcastle

GARDEN HARD-ONS!

Mark's been my speed-dial fuck-friend for years and never got jealous of my proper boyfriends until I met Patrick. He wasn't very jealous, just seemed to miss what he wasn't getting. And I knew I didn't want to lose him from my life. Lucky for me, Patrick was fine with the idea of a threesome – he even hosted it at his place! I found myself on the big daybed in his back garden, with two cocks to play with.

I'd never felt so nervous about screwing Mark, like it was our first-ever time. But I'd already spent the entire morning banging Patrick, like I needed to prove to him I wasn't going to dump him or anything. As the men started on the beers, I strutted around, naked except for my heels. Then Mark called me over, had me bend with my arse right in his face. My cunt was so sensitive, just blowing air on it had me squirming!

He tongued it, just around the edges, then grabbed a chunk of ice out of the beer cooler, running that over my pussy lips and then down my slit. Then he pulled me backward and sat me on his dick, moving me so it stirred around in my cunt. Patrick came around front for a kiss and a suck on my tits, his cock so tempting. So I leaned forward – shoving my arse back hard against Mark in the process – and got a pussy-flavoured mouthful of his meat. I sucked him slowly as he wasn't in any rush to cum again, but Mark was getting a little more edgy, bouncing me on his dick as he tried to fuck me quicker.

I repositioned myself, stomach down, arse tilted up, and let him slide back in, while Patrick knelt in front of me to take a sucking. I let out a little gasp as I felt Mark's stiff length penetrate my hole, and his balls swung up against my clit.

As I gobbled Patrick's cock, I looked him in the eye, feeling his shaft twitch against my tongue as I winked at him. Then, as I sucked him deeper, Mark began to jackhammer into me, holding tight onto my hips as his prick stroked against my G-spot. I braced myself to cum very, very hard.

"Whoa…" Patrick groaned, stroking my hair to calm me down as I sucked him a little overenthusiastically, then he pulled back out. What had sounded like muffled moans with his meat crammed in my mouth were actually loud screams – I buried my face in a cushion as my cunt convulsed around Mark's cock.

Mark was already thinking ahead, said he was already desperate for one of my blowjobs, even before he saw me with a mouthful of Patrick's cock. So Patrick suggested switching positions – maybe he'd do me in the arse this time.

Mark stopped mid-stroke, in shock – understandable. He'd never gotten to bum me in all the years we'd been fucking. Truth was, before Patrick, I hadn't been into anal. Then he showed me how the tightest arse can take the biggest cock and how much pleasure we could both get from it…

I got the lube from the little box of tricks I'd brought out, and handed it to Mark. "Fingers first, then push in slowly," I told him. He took it very gently, not wanting to be told to stop in front of Patrick.

"He slipped inside of me, one slick inch at a time, path smoothed with plenty of lube..."

He slipped inside of me, one slick inch at a time, path smoothed with plenty of lube. Then he played his cock in and out, friction building as I moaned and gasped, my noise damped as I throated my boyfriend's dick.

Soon, I felt the first jet of Patrick's spunk slither down my throat. I let him slip out, the tip of his cock resting on my tongue as he sprayed inside of my mouth. Then I threw my head back, swallowing as Mark pumped in and out, speed increasing till he jabbed in deep and spent his spunk in my arse.

I started off wishing I'd let him do it years before, and now I've admitted to myself, if there's one thing that would make me choose him over Patrick for keeps, it was how that big dick felt in my bum. For now, though, I'm getting to fuck the two of them all ways, so I'll keep it my little secret!

Patricia, Camden ♣

SCRUFF JUSTICE!

Tell your wife you're watching gash in the attic...

RATINGS: ★ BUDE ★★ JUDE ★★★ LUDE ★★★★ RUDE ★★★★★ NUDE

TORI BLACK NYMPHOMANIAC (HARMONY)

You've got to love a girl like Tori Black. She starts off in straight-forward porn, none of your anal stuff please, gets nominated for a bunch of awards, then decides, what the hell, might as well get bummed as well. This crackerjack from Gazzman makes full use of Tori's talents, but the supporting cast also includes anal-loving Aleska Diamond and our very own Michelle Moist. Tori does anal, DPs, eats cum like it's lunchables and generally confirms her star status while making us do a sex wee. ★★★★

THE NUDE ROOMMATE (DIGITAL PLAYGROUND)

Ah, almost the perfect mix. A hyper-photogenic Digital Playground contract cutie – that's Janie Summers, and an utterly luvverly Euro sweetie – that'll be Cindy Hope. All it really needs is a slutty English bird in the mix to let things enter her exit hole, but not this time, sadly.

There's a plot here somewhere, but this reviewer was distracted by my wrist becoming a blur as Janie soaked up a monster load from Manuel Ferrara, not once, but twice. ★★★★

MORNING GLORY (EASY ON THE EYE)

A breakfast TV porn spoof? Bloody hell, take your time, guys. 0 out of 10 for topicality, but if you want to see a bunch of mid-range British porn people having some bonks and then hamming it up in 'comedy' bits, this is for you.

It's exec-produced by Anna Span, who didn't quite carry the vote when she ran for parliament, and it's nice to see Blighty's own Suzie Best bouncing up and down on a big one, but it all feels a bit staid and parochial in this day and age. ★★

WEAR IT'S AT... CLOBBER!

WRITING: DAN GREENPEACE (twitter.com/dangreenpeace)

What to wear, when to wear it, where to wear it. *Club*'s man in the know shares the very latest menswear tips...

Yes, it's time for another dose of *Clobber*, the men's fashion column that actually takes advice from Gok Wan. So how do you look good naked? By making Sasha caress her lady lumps whilst wearing some of the freshest men's threads cherry-picked just for you.

This month I'm featuring one of the most consistently great street labels ever, Supreme. Founded by UK ex-pat James Jebbia who moved to New York in the early 80s, Supreme has become a staple for the skater, hip-hop back-packer and fashionista alike. From skate decks designed by Damien Hirst to T-shirt collaborations with Malcolm McLaren, the label's legacy is carved in stone. As well as regularly dipping in and out of the art world, Supreme are famed for their music collaborations ranging from Miles Davis and Lou Reed to rappers Raekwon and Public Enemy. As you can see they even worked with Kermit. It was the most recent collaboration with The Clash that really caught my attention. With vintage Clash imagery and unseen shots of Joe Strummer emblazoned on the front of the shirts matched with tour dates, 'I Fought The Law' and 'Know Your Rights' strap lines adorning the reverse, any 70s baby or modern rebel alike would be comfortable in these.

Of course, Supreme collaborations come thick and fast with several hitting shelves throughout the year so be on the look out for the next one

dropping soon, but to keep up with their rich history I suggest you pick up the recent 15 year anniversary hardback *Supreme: Downtown New York Skate Culture* (Rizzoli) available now. (Book available at all good retailers £25.99, Clash T-Shirt £35.00 available at Dover Street Market *www.doverstreetmarket.com* or visit *www.supremenewyork.com*)

So what to wear on your feet this month? Well, these babies caught my eye courtesy of Nike. Their official name is the Lunar Air 180 and is the latest showcase of Nike's hybrid tendencies. Taking the modern Lunar midsole and mesh upper, the 180 Air cushioning and original 180 Ultramarine colourway, this is not only a stunning shoe but the most comfortable one you've ever worn. Don't break them out in the winter, these attract dirt. Another awesome Nike hybrid that come recommended are the Air Max 90 Current Huarache which take elements of the Air Max 90 and Huarache classic design matched with their trademark Current midsole (Price £89.99 from *www.size.co.uk*)

As we're still in the summer months we'll highlight another sporty item. Don't worry, next month we'll flip it with some woollens, what mittens to rock and the best from the M&S Blue Harbour range. Italian sportswear brand Ellesse haven't yet seen a recent resurgence like their peers over at Fila. Sported by Tennis players and stars of the ski slopes alike as well as by British Casuals in the 80s, they have waited patiently before taking our hard earned pay packets in exchange for a heritage range.

In fact, they've gone one step further by collaborating with highly credible Danish design duo Wood Wood. The range adds a simple twist to Ellesse's distinctive emblem with track tops, shorts and limited edition T-shirts keeping true to the brand but stands shoulder to shoulder with what cooler boutique brands offer right now. (Price TBC, available at Foot Patrol, London and Wood Wood stores *www.woodwood.dk*) ♣

CRACK TO THE FUTURE

WE GO BACK IN TIME TO CHECK OUT CLASSIC CLUBS AND THE GIRLS OF YESTERYEAR. JUST AS SOON AS WE'VE FIXED THE FLUX CAPACITOR...

"It's a combination of good food, strong drink and brilliant sex," Stefanie informed us happily. "We German girls know how to get what we want. If I want a good fucking, I go out and find a guy to give me one." And 19-year-old Stefanie has had plenty of

COUNTDOWN TO ARMAGEDDON

It's 1988, and our teenage editor is hiding *Club* down the back of the loo when not wanking himself into air and mince over the pictures of Stefanie here. Even with the benefit of pubic hindsight, that ferret of hers would still get a thorough going over in any epoch. In fact, what's she doing now? Let's have a reunion.

2

MAID IN ENGLAND

Ah, Sasha, you've got some big shoes to fill. Another classic *Club* regular girl, Andrea Clarke is seen here in a 'if it ain't broke, don't fix it' maid outfit. Timeless, is what we're saying. Andrea was all about kinky costumes and her reign as queen of *Club* saw her filling many readers' requests. Well, realistic ones anyway...

3

DIAL UP

It's only 22 years ago, but even the phone adverts were more innocent. No 'granny has a horse cock up her' here, ta very much. No, it's all about phoning up the créme dé la créme of page 3 modelling to hear them talk blandly about their fantasies. Trust us, we called them, they weren't saying shit about horse cocks.

4

OWEN-LY THE LONELY

Take a poll of the top 10 British glamour models of all time and Stacey Owen will almost certainly be in there. The titanically-titted one bestrode top end mags and our scuzzier stablemates alike, and even dabbled with a bit of hardcore, handing out top notch titwanks like sweets that taste even sweeter. Stacey, we salute you, cocks in hand. ♣

LONDON'S CALLING!

Sophia comes to the big shitty...

21-year-old Sophia recently upped sticks and moved to London. We assume it's the lure of being near to us, that or the fucking Starbucks cafes every 15 yards.

"Neither, I'm afraid," she tells us. "Like so many before me I've come to seek my fortune. The shitty little town I'm from – no, I'm not telling – didn't have much going for it, so I've come to the bright lights."

Good. There's lots of Starbucks.

"Fuck that. I'm more of a cup of tea person. Well, that or a good whisky. I've noticed since I came down here that everyone is running about with a coffee."

Yup. From Starbucks.

"Are you on commission or something? Bloody hell, there has to be more to London than Starbucks, surely?"

Yes, we have Caffé Nero as well. ♣

SOPHIA

What our well-placed moles are telling us this month...

DOWN THE WIRE

Britons Need Trepanning Like A Hole In The Head

The 67-year-old Countess of Wemyss and March, who presently manages the Beckley Trust, Britain's leading advocacy organization for the legalisation of marijuana, has returned to banging on to the UK media about her former obsessive advocacy of the mediaeval practice of trepanning.

More than four decades ago, when she was just plain young Amanda Fielding, the Countess first extolled the virtues of trepanation – a process she insisted "broadened awareness" by increasing the flow of oxygen to the brain by drilling a hole in one's head. Fielding's first boyfriend filmed Amanda boring a hole in her napper then going out to dinner wearing a bandana as a bandage, and later wrote a book on the process entitled, intriguingly, *Bore Hole*.

Eventually, however, he got the elbow. Nowadays her husband, the equally eccentric 13th Earl of Wemyss, confesses that he has also been trepanned. The Countess currently expresses hope that the NHS will eventually cover trepanning and bore holes in people's heads for nothing (and presumably not just for something they did wrong).

Bad Korea Move

Following the government of North Korea's foolish and ultimately catastrophic decision to radically devalue its currency last November – a move which, overnight, saw the North Korean Won drop to 100th of its value the day before, the country's citizens and their Dear Leader were, it now transpires, not best pleased with the predictably disastrous economic result. Recently an official statement word has been quietly leaked from the pariah state to the effect that the government's chief finance minister, Pak Nam-gi, has been put against a wall and executed by firing squad.

Politicians Talking Dirty

At a public meeting of the Dixon, California, City Council in May, Councilman Michael Ceremello refused to give up the floor to an insistent colleague, roaring: "You don't have the floor. Please sit back and shut the fuck up." His outburst was followed by a stunned silence. That's what we call filibustering.

Likewise, nearer home in the Republic of Ireland, TD Paul Gogarty, a Member of Ireland's Parliament, has disgraced himself during a public session when he responded to the criticisms of an opponent in the Dail: "With all due respect, fuck you, Deputy Stagg, fuck you."

"Prison, I'm In Prison..."

Norway's glamorous new Halden Prison was opened earlier this year by the country's King Harald V, who headed up a Hollywood-style gala celebrating what is allegedly the planet's 'most humane' penitentiary.

Among its five-star facilities are to be found a sound studio, jogging trails, a guest house for prisoners' visitors, and a delightful 'kitchen laboratory' where Scandinavian murderers, drug lords and rapists can learn to cook.

The warders, half of whom are women, are entirely unarmed, and intermingle with the prossie-throttlers, kiddy-messers, arsonists and others, dining with all categories of crim and joining them in intramural sports. The repeat offender rate for Norwegian prisoners in general is only 20% as opposed to 50 to 60% in the US, but it's still a little premature to pronounce with any certainty that such a pleasant life behind bars won't make the prospect of another lovely stay at 'Hotel Halden' the very opposite of a deterrent.

Blaming It On The Almighty

Former Oregon National Guardsman Gary Pfleider II is still awaiting the results of his latest appeal to end the docking of his disability cheques to cover $3,175 for army equipment he supposedly 'lost' when he was shot while fighting in Iraq. Pfleider, awaiting his ninth round of surgery in the wake of the incident, was hit in the leg by a sniper three years ago and was evacuated, bleeding profusely. Despite the circumstances in which Pfleider was obliged to be dragged shrieking from the battlefield, Oregon Guard seems to believe that he should have paused to inventory the equipment he was carrying and to make arrangements for its safekeeping during his imminent hospitalisation.
